E-Safety Training for Parents

Dear Parents/Carers,

We would like to invite you to attend a free E-Safety training session at **Castle Academy on Wednesday 2nd November 2016 5.30-6.30pm.**

Technology is fast-moving, exciting and changing the way we live; giving instant access to information, people, music, games and films. The training session aims to give parents the much needed information to help you to understand the possible E-safety problems and give you a foundation to make those difficult decisions about how your child uses technology and the internet at home.

Please be aware that due to the nature of the content of the training it is not appropriate to bring your child along.

We really hope that you will take this opportunity to help safeguard your child's enjoyment of technology. If you would like to come along please return the slip below to the office.

Yours sincerely

Miss M Walton
Principal

.....
I would like to attend the E-Safety training, please reserve ____ seats.

Signed.....
